Co-funded by
the Health Programme
of the European Union

The SUNFRAIL project (no. 664291)
has received funding from the European
Union's Health Programme (2014-2020).

Sunfrail is a project funded by the EU Health Programme 2014-2020 and brings together 11 partners from 6 EU Member States. It is aimed at improving the identification, prevention and management of frailty and care of multimorbidity in community dwelling persons (over 65) in subnational settings of EU countries.

Sunfrail final conference is dedicated to present the main *results* obtained during the 30 months of the project and to propose *recommendations* for the replicability and sustainability of the *model* and of the *tools* identified.

Sunfrail è un progetto cofinanziato dal Terzo programma Salute 2014-2020 della Commissione europea. Con il coinvolgimento di 11 partner provenienti da 6 Stati membri, il progetto è finalizzato a identificare, prevenire e gestire la fragilità e le multimorbilità nelle persone di età superiore ai 65 anni nel contesto delle cure primarie e della comunità.

La *conferenza finale di Sunfrail* è dedicata a presentare i principali *risultati* ottenuti nei 30 mesi di progetto e a formulare *raccomandazioni* per la replicabilità e la sostenibilità del *modello* e degli *strumenti* identificati.
